

Dear Families,

I am extremely excited to share with you a whole new way to connect to your child's classroom! This year, I will be using an app called **Bloomz** to simplify how I communicate with you and keep you in the know of what your child is doing. Get ready to see:

- Updates on what your child is doing and learning via messages, photos, and even video!
- Photos from the day or specific activities with a 1 click download option on your desktop
- Access to our class calendar with built in reminders
- Invitation requests to events
- Volunteer requests and ability to sign up right in the app
- And more...

Bloomz even has a messaging feature so you can instantly message me (i.e. in case you're running late for pick-up).

Imagine having access to all these features in one place, right on your mobile devices or on your computer!

More details about how to join our class will follow in September. Please contact me if you have any questions or concerns.

I can't wait to connect on Bloomz!

Educationally Yours,

Mrs. Snider
