Once you have successfully completed your payment, a Reference Number will be displayed on your screen.

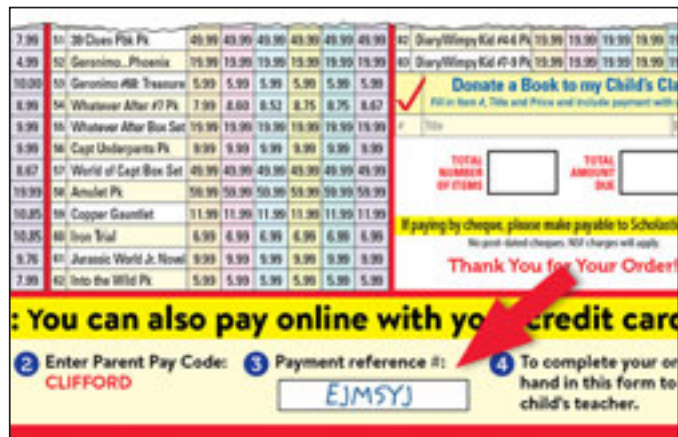

It will also be sent to you in your electronic receipt.

- Record your payment Reference Number in the space provided on your child's order form(s), just beside where you found the Parent Pay Code.

This will let your child's teacher know that you've paid by credit card.

Note: The same reference number should be written on each order form, if you included more than one flyer in your payment.

Then, send the order form(s) to school with your child. Your child's teacher will order the items you want and they will be delivered to the classroom just like usual.

Don't Forget!

The online Parent Pay site is for making **payments only**. Your order is not complete until you send in the order form(s) to your child's teacher and they submit the order to Scholastic. Your order will be delivered to the classroom just like usual.
